

Love Yoga Tree

Where To Find Us

Our address is - Dartmoor Reach Alpaca Farm, Dunley Lane, Bovey Tracey, TQ13 9PW
Satnav will take you to Dunley Lane – when you get to Dunley Lane, **stop following your satnav and follow the signs for Dartmoor Reach Alpaca Farm.** There are 3 signs that will lead you to the gate.

Winter Parking

During the months between November and March, our glamping accommodation is closed so you can use the glampsite car park which is located at the end of the track. Please drive through the gate, past the big barn and follow the track to the top of the field.

Turn right into a small car park. **Please park bumper to bumper, side by side facing the back hedge.** Car parking is for studio attendees only – you will not get blocked in. We are a working farm and need access to the track at all times.

Once parked, please make your way past the wee red cars and follow the path to the studio which is located in the back left corner of the field.

Summer Parking

During the summer months, our glampsite is open so please use the car park marked “Yoga Parking” beside the big barn, on the right just after you have passed the piggies and the bees.

Parking here is for yoga students only so please park bumper to bumper, side by side – you will not get blocked in! Dartmoor Reach is a working farm and access to the track is needed at all times.

Once parked, follow the track up to the field. When you get to the big old oak tree, turn left, past the wee red cars and follow the path to the studio which is located at the back left of the field.

Josh, Natalie and all the alpacas and other animals would like to thank you for your understanding and co-operation.
